1. Was / were

Definición: pasado de *be*

I / he / she / it **was** you / we / they **were**

Afirmativa	Negativa	Pregunta y respuesta corta
She **was** at home.	She **wasn't** at home.	**Was** she at home? Yes, she was. / No, she wasn't.
They **were** tired.	They **weren't** tired.	**Were** they tired? Yes, they were. / No, they weren't.

There was / there were: *There **was** a party. There **were** lots of people.*

2. Past simple: uso y forma

Definición: cuándo se usa

Para acciones terminadas en un momento concreto del pasado. Expresiones: *yesterday, last night / week / year, two days ago, in 2019, when I was a child.*

Afirmativa	Negativa	Pregunta
I / he / they **played** (regular)	I **didn't play**	**Did** you **play**?
I / he / they **went** (irregular)	I **didn't go**	**Did** you **go**?

Ojo

La forma es igual para todas las personas (no hay -s). Con *didn't* y *did* el verbo va en infinitivo: *I didn't **go*** (no *went*); *Did you **see** it?* (no *saw*).

3. Verbos regulares: -ed

Clave: ortografía

work → work**ed** live → liv**ed** (acaba en -e: solo -d) study → stud**ied** (consonante + y)
play → play**ed** (vocal + y) stop → sto**pped**, plan → pla**nned** (dobla la consonante)

Pronunciación: /t/ tras sonidos sordos (*walked, watched*), /d/ tras sonoros (*played, lived*) e /ɪd/ tras t o d (*wanted, needed*).

4. Verbos irregulares más usados

be	was/were	do	did	go	went	see	saw
buy	bought	drink	drank	have	had	sleep	slept
come	came	eat	ate	know	knew	speak	spoke
find	found	get	got	leave	left	swim	swam
give	gave	make	made	meet	met	take	took
lose	lost	put	put	read	read	think	thought
run	ran	say	said	sit	sat	write	wrote

Ojo

read se escribe igual en pasado pero se pronuncia /red/. Hay que aprenderse la lista: no siguen ninguna regla.

Ejemplo: en contexto

Last summer we went to Portugal. We stayed in a small hotel and ate fish every day. I didn't swim because the water was very cold. Did you travel?
